Describe as completely as you can the sort of material or the specific items you are looking for. If you are interested in a particular town or other geographical area, be sure to mention that, too.

What do you plan to do with the material? Are you writing a book, article, dissertation, or essay? Are you a teacher who wants material for a lecture or classroom demonstration? Please be as specific as possible.

I understand that all material is the property of the Belvedere-Tiburon Landmarks Society archives and cannot be reproduced or published in any form or way without written permission of the Archivist. I also agree to bear all costs of photocopying, photographs, scans, and tape duplication in connection with my request.
